

## Super Kids Day Parent/Student Instructions and Tips

Hello Green Parents,

Below are some rules, suggestions and just generally good things for parents to know about “Super Kids Day” (field day). Following them will help your child have a fun and safe time.

Friday, May 4<sup>th</sup>

Rain Date 5/11

Grades 2 & 3 9:35am-11am

Grades K & 1 11:25-12:50pm

Grades 4 & 5 1:15pm-2:40pm

- Your child should wear comfortable, loose fitting clothes. Much like what they typically wear for P.E. class.
- If at all possible children should wear sneakers *and* socks. This is clearly the safest type of footwear to wear for Super Kids Day. Socks will be needed to play on the inflatable equipment. You may want to send an extra pair of each with your child in case they get soggy feet because of dew on the grass. Please no sandals, flip-flops or crocs.
- To provide protection from the sun, wearing a hat and collared shirt are good ideas.
- Wearing sunscreen is a good idea as well. Parents need to put this on their child before they come to school.
- Bringing a water bottle filled only with water is a very good idea. Make sure your child’s name is on it. Unless needed for medical reasons, food or other drinks are not allowed on the field.
- The only people allowed on the field during each session are the students and teachers for that session, registered volunteers working that specific session, and Green administration and support staff.

**Thank you very much for your help.**

OK, it’s now up to Mother Nature to cooperate. You might want to send an email and remind her of the date.
